**To: Org.za domain name holders, ISPs, ZADNA members & South African public**

**CALL FOR COMMENT: PROPOSED CHANGES TO ORG.ZA TERMS AND CONDITIONS**

The org.za administrator has notified ZADNA that it intends to make some changes to the org.za current terms and conditions. According to the administrator, the changes are not meant to affect the status of org.za domain name holders, but are intended to clarify the non-profit status of org.za. The notice also proposes few other changes to the org.za administration.

In terms of section 10 of the current ZADNA policy for establishment and disestablishment of new second level domains, any changes to a charter of a .za domain must be approved by ZADNA before they may become effective.

As part of its approval, ZADNA hereby calls for comments to the proposed org.za changes. Submissions should be made in writing to [submissions@org.za](mailto:submissions@org.za) or by fax (for the attention of Vika Mpisane, ZADNA General Manager) to +27 11 234 5022. The deadline for submissions is Wednesday, 23 December 2009.

In addition, ZADNA encourages its members and interested parties to utilise its discussion mailing list ([discuss@zadna.org.za](mailto:discuss@zadna.org.za)) to raise questions and/or discuss issues. Alternatively, enquiries may be directed to ZADNA by telephone to +27 11 275 0082, by email to [gm@zadna.org.za](mailto:gm@zadna.org.za) or by fax using the aforementioned fax number.

Yours truly,

**VIKA MPISANE  
GENERAL MANAGER**
